WORK EXPERIENCE

Bridge Inspector

FDH Infrastructure Services - Raleigh, NC

May 2018 to October 2019

I was a Crew Lead for 2 teams of 3 of bridge inspectors in Northern Louisiana. We would meet in the mornings at 7, inspect equipment and vehicles, map out routes, travel to and arrive at site, gather complete measurements of structures, photo document each task results, test durability and age of piles and bolts holding structures together using specific testing methods.
